A Glimpse of el-Funoun's "A Letter to" Dance Show, 2007

A Letter To...is a dance production inspired by the caricature “Handala”, the brainchild of Palestinian artist Naji Al Ali. In memory of Naji Al Ali, El-Funoun’s production is a contemporary adaptation of his caricature through dance as a reflection of the past, present and future of life in the Arab World depicting corruption, lack of freedom, and oppression.
