مراسلات جمعية سيدات بيرزيت الخيرية

صادرة عن جمعية سيدات مادة مطبوعة باللغة الإنجليزية هي عبارة عن رسالة
بيرزيت الخيرية. بيرزيت الخيرية، وُجِدَت في مجموعة جمعية سيدات

An Estimation for seven villages per month:

Patients per day per village	10 patient
Total of patients to seven villages	$10 \times 7 = 70$
Patients per month	$70 \times 4 = 280$

Per patient appr. \$20

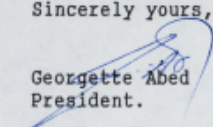

Total : $280 \times \$20 = \5600

Local Medical Companies could hardly cover 20% of the above mentioned expenses by donating medicines to the Society.

We hope that you will take our request into your kind consideration awaiting your answer patiently.

Thanking you in advance.

Sincerely yours,

Georgette Abed
President.
