Dear Sir,

The Birzeit Women's Charitable Society is carrying out the Health Program since 1970 to Bir Zeit and 23 surrounding villages.

The Health Program comprises of Preventive, Curative and Primary Health Care, besides, Health and Dental Education. To accomplish our work and expand the Primary Health Services, we found that a Maternity Hospital will be a great help to the villages abroad.

We request the issuing of a license for Birzeit Women's Charitable Society to open a Maternity Hospital in Bir Zeit.

The proposed hospital will be as described below:

1. The Hospital Administration:

- a) Administrator : Public Health Nursing Administrator.
- b) Director : Medical Officer.

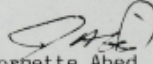

2. Number of Beds : (10)

3. Plans for the building and area. (Attached)

We hope that our request for a Maternity Hospital License will meet your kind consideration and approval.

Thank you in advance.

Sincerely yours,

Georgette Abed
President.

We adhere with rules and regulations.

N.B.: Names and qualifications will follow.
