Dear Mr. Backlund,

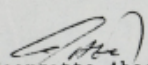

We, members of the Executive Commity of Birzeit Women Charitable Society, and all those who are benefitted from our health services extend our deep and warm thanks to all Members of the Church of Sweden.

We feel so happy that our health services will continue in the rural areas where they are so in need of our services. Thank you again for your generosity by sending us money: first, to support the employees; second, to buy furniture and medical equipments to clinics in the seven villages.

We will always remeber you, and wish you all the best because you are the person who advertised our services - to your colleagues.

I am looking forward to meet you in November.

Sincerely,

Georgette Abed

President.
