1.7.1985

Dear Mrs. Abed,

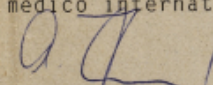

thank you very much for your letters of 20.4.1985 (with the document) and 26.6.1985.

There was a misunderstanding in the sequence of our administration. Therefore we feel very sorry for the delay of the grant allocation we gave for 1985.

Today we have transfered the amount of DM 20.000,-- to your account at the Arab Bank, Amman.

Regards from Hans Branscheidt. He is not in the office until end of July.

With kind regards, also to Ms. Condie,
medico international

Anna Huber
