Dear Mr. Branscheidt,

Thank you for your letter of the 28th. August. Please find the enclosed Annual Report of the Birzeit Women's Charitable Society Dental Unit which covers the first year of operation, October 1983 - September 1984. Also attached are some examples of the record-keeping cards (English version), that are used in the Dental Unit. The future plans of the Dental Unit which are outlined in the report have been developed to enable greater contact with inhabitants of Birzeit town and surrounding villages. These developments will be well documented and we will keep you informed of their progress. In your letter you requested more information about the general activities in the context of the every day life of Palestinian women. At present we are compiling relevant materials e.g. photographs which we will forward to you in the near future.

We look forward to hearing from you soon, and especially to your visit to the West Bank next spring, when you will be able to meet the staff and learn about the programme at first hand. Please let us know in advance of the dates of your visit so that a programme can be prepared for you.

Sincerely,

*Alison Condie*
