Dear Mr. Branscheidt,

I am writing to enquire about the grant allocation for Bir Zeit Women's Charitable Society for the year 1985-86. In your letter of 28.8.84, you outlined that payment for 1985 would be as for 1983 and 1984 in March of each year. In April 1985 we received a letter (8.4.85) from Ms Anna Huber requesting a receipt of the payment of 1984 and confirmation from our dentist that he was receiving his monthly allowance. Ms Huber mentioned in her letter that the chartered accountant had raised an objection as these documents had not been received. On April 20th 1985, we forwarded all the documents requested in Ms Huber's letter, but until now have still not received a reply from Medico International. I would be most grateful if you would contact us and let us know if you require any further documents from us for the grant to the Society for 1985-86.

I apologize for any inconvenience caused to you and look forward to hearing from you in the near future.

Regards to yourself and colleagues,

Yours sincerely,

Georgette Abed

Charitable Society
