Dear Mrs. Condie,

many thanks for your recent letter and the annual report about the Activities of the
Bit Zeit womens charitable Society.

As I told Mrs. Giacaman before: for our public relations, fund raising and press-activities
we need a bit more as only a few facts and figures. That means a contentfull and expressiv
report about the general activities in the context of the everyday-life of palestinian women.

I like to inform you also about the financial transfer in that way that we started to pay the
salaries for the dentist and his assistant March 83, again March 84 and we will follow up
this line again in March 85. We certainly will use the wellknown bank account in Amman.

Im hopefull to find the possility to travel to the Westbank in April or May next year. May
be we can meet each other at this time.

All the best for you and your work
