Dear Mrs. Condie,

in March last year we have transfered to your bank account,
Arab Bank, Loueibdeh Branch, Amman, the amount of DM 20.000,--
(for the Dentist).

In looking over our files we found out that until now we
didn't get the acknowledgment of receipt.

In the meantime our chartered accountant also have given
us a objection in this case.

Could you please therefore send us as soon as possible
a receipt, that you got the amount, how much you have got
in your currency and also documents of the dentist, that
he received the monthly allowance.

We hope this will be not too much trouble for you and we
~~are~~ be glad to hear from you.

With kind regards
medico international

Anna Huber
