Mr. Anwar Nuseibeh
Eastern Jerusalem

Dear Friend,

Thank you very much for your consent to be a member of the public Committee of our 20th Anniversary International Symposium.

After elaborate deliberations, we decided that it would be best to hold the Symposium after the dust of the election campaign will settle and things will return more or less to normal. We hope to hold the Symposium in the middle of November this year.

Our Editor, Mr. Simha Flapan, is at present in the United States, working on the plan of the Symposium and trying to raise funds for it.

He is expected back in the middle of next month. Upon his return, we shall convene the Committee and in due time, an invitation will be sent to you.

Looking forwards meeting you,

Yours Sincerely,

David Shaham
Associate Editor
